

Since 1974, Maxon has been manufacturing high quality, dependable radio communication products. Maxon stands behind its products by providing you with these 3 Quality Assurance Promises:

2 Year Warranty

Parts and labor coverage for a full two years from the original date of purchase*.

6 Month Replacement

For the first 6 months of the warranty, Maxon will replace any radio that fails to perform to its specifications, for any reason, with a brand new unit – free of charge*.

Parts Performance Guarantee

Maxon guarantees to ship replacement parts within 3 working days after receipt of order, for any radio that goes "down" during the warranty period.
